## Discovering Rome Campo de Fiori / Piazza Farnese / Piazza Navona | Pantheon | Trevi Fountain / Piazza di Spagna

visit inside

This itinerary starts at Campo dei Fiori, certainly one of the most characteristic squares in Rome with its "open-air" market. Next to Campo de' Fiori we will admire the magical charm of Piazza Farnese and then Palazzo Spada. The building is worth a stop thanks to the brilliance of forced perspective introduced by the famous architect Borromini. Proceed then to Piazza Navona, one of the most famous squares in the world. The symbol of the square is the "Fountains of Four Rivers", designed by Gian Lorenzo Bernini and competing with Borromini's famed church S. Agnese in Agone. In a ten minute walk we reach Piazza della Rotonda housing the unmistakable structure of the Pantheon (inside visit). We then cross Via del Corso and in just 5 minutes we are at the Trevi Fountain, a true masterpiece and certainly the most famous and spectacular fountain in Rome. The last stop of our itinerary will be Piazza di Spagna, (Spanish Steps). In the centre of the square you will admire the Fontana della Barcaccia made by Pietro Bernini. El tour termina cerca Trinità dei Monti. The tour ends in Spagna square.

## CINQUE TERRE: THE SCENT OF THE SEA

Our trip from Florence to the Cinque Terre is an unforgettable whole day devoted to the discovery of one of the most amazing and enchanting landscapes in the world. Five (Cinque) villages, hanging between sea and land, a place where you can immerse yourselves in paradise, listed by Unesco as a World Heritage site. Our visit begins at daybreak, with the arrival at Riomaggiore: the village, dating back to the early thirteenth century, is famous for its historic character and local wine. You can admire the houses leaning one against the other and stroll along the narrow cobble alleyways and sheltered paths. We then reach Manarola by walking along the famous "Via dell'Amore" (The Path of Love) a romantic and evocative promenade hewn from the rocks falling sheer into the sea. The tiny harbor has a boat ramp and picturesque buildings clinging to the ravine. Our journey continues to Monterosso, an ancient fishing village considered "The Pearl of the Cinque Terre", where you will be awed by its enchanting beaches and the lush vegetation encircling the little town. Here you will have free time to plunge into the crystal sea and sunbathe, before taking the boat to Vernazza, a seaside town surrounding a small natural port. As well as comfortable clothes and shoes, we recommend you bring your swimwear! At the moment the "Path of Love" is closed and the reopening depends on local authorities. If it still won't be accessible during high season, a longer route in boat will be offer as financial compensation and the given order of the visits may change. Please note that due to bad weather it may not be possible to use the boat
